W. D. Hanson No More

Esteemed Resident of West End Succumbs to Pneumonia.

A great shock was given his host of friends all over the county when news was received here Thanksgiving day that Mr. W. D. Hanson had died at his handsome home "The Virginians," this side of Milledgeville, of pneumonia. Few here know that the popular and highly respected gentleman was ill. It seems that he was taken down with pneumonia about eight days ago, and his decline was rapid until the end came.

Mr. Hanson was 69 years of age, and a native of Virginia. He came to Lincoln county about 13 years ago, and bought a handsome farm in the West End where he had made his home since. His wife preceded him to the Great Beyond a few years ago. Eleven children survive, all of whom were with their father when the end came. They are Messrs. Carl, Stuart, James Hanson, and Misses Kate, Mary, Pearl and Ruby, all whom live in the West End of the county, and Mrs. R. F. Steele, of Coeburn, Va., Mrs. M. D. Clay and Mrs. Buckles, of Virginia.

Mr. Hanson had been a faithful Christian nearly all of his life, and was a splendid gentleman, esteemed and respected by everyone who knew him.

Funeral services were conducted this afternoon at two o'clock from his late home, conducted by Rev. Charles Fisher, of Millersburg and Rev. Hockerberry, of the Methodist church.

FORMER GARRARDITE

HURT IN OKLAHOMA

News has reached relatives and friends in Garrard of a very serious automobile accident of Mrs. Jenny Woodruff Williams and her mother, Mrs. W. I. Williams, of Tulsa, Okla., all of whom are formerly of Lancaster. The car was being driven by young Williams and in some manner plunged over a twenty foot embankment, turning over and catching the occupants beneath it. Mrs. West sustained a broken arm, while Mrs. Williams had a fractured rib and possibly other injuries. In making a rushing trip to the hospital, where his mother and Mrs. West could receive prompt medical attention, the machine ran over a man, breaking his leg.

MEDAL CONTEST IN WEST END

A Matrons' Medal contest will be held by the W. C. T. U. of Hustonville at the Christian church on Saturday evening, Dec. 9th at 7:30 o'clock. All are invited to attend. A delightful program has been prepared, and the entertainment is to help a good cause. The program will be published next week.

W. M. Duncan is assisting at the First National Bank. Mr. Duncan is an expert bookkeeper and a fine penman.

Mr. J. C. Hays has just opened up a nice little grocery store on the street leading to the depot at Crab Orchard and is already doing a nice business among his friends.

Elias Kidd, of Casey, who recently bought the Dan Traylor farm on the Dudderar's Mill pike, was here this week. He has rented the place, which contains about 80 acres to J. V. Padgett, of the Kidd's Store section, for the next year at \$750 a year.

John Cohen, formerly manager of the Annex at Danville, has bought an interest in the Newtonian at Somerset. John is one of the best hotel managers in this territory and the boys will receive the glad hand and the best of treatment from him at his new place.—Lexington Leader.

The revival at the Jenkins M. E. church, conducted by the pastor, the Rev. W. L. Hall, assisted by Evangelist Andrew Johnson, of Wilmore, is attracting much attention. The Rev. J. Johnson, a former resident of Jackson county, and school teacher of Perry county, is teaching the mountain people more effectively than any other preacher could.—Nicholasville News.

Forget Your Aches.

Stiff knees, aching limbs, lame back make life a burden. If you suffer from rheumatism, gout, lumbago, neuralgia, get a bottle of Doan's Liniment, the universal remedy for pain. Easy to apply; it penetrates without rubbing and soothes the tender flesh. Cleaner and more effective than musky ointments or salves. For strains or sprains, sore muscles or wrenched ligaments, nothing but Doan's Liniment gives quick relief. Keep it on hand for emergencies. At all Druggists, 25c.

NEVIUS—HARNED

On last Wednesday evening at 5:30 o'clock at the home of Mr. and Mrs. Jesse D. Wearren, the words were said that made Miss Alpha LaVerne Nevius, of Lancaster, and Ack Hill Harned, of near Lebanon Junction, one, Rev. D. M. Walker, pastor of the Christian church officiated. The bride is the only daughter of Mr. Joseph Nevius, of Lancaster, and a granddaughter of Mrs. Martha Nevius of this city. She is a very charming and accomplished young girl and has a host of friends that she has won by her lovely disposition. Mr. Harned is a son of Mr. and Mrs. J. D. Harned, of Lebanon Junction, and is a very prominent and progressive farmer. Mrs. Harned wore a beautiful blue traveling suit with hat to match. Immediately after the ceremony the happy couple left for their home near Lebanon Junction, where they will go to housekeeping with the best wishes of their many friends for a union of much happiness and joy.

Mr. F. A. Bryant, of Lebanon Junction, who is a close friend of Mr. Harned accompanied him to this city to see the knot well tied.

MISS RANEY ENTERTAINS

On last Tuesday morning Miss Kate Davis Raney entertained at Rook at the beautiful home of Mrs. William H. Shanks on Logan avenue. DERR—PHILLIPS

Quite a surprise was received here Thanksgiving evening when it became known that Miss Annie E. Phillips, of this city, and Mr. Thomas J. Derr, of East St. Louis, Ill., who has been here visiting his sister, Mrs. M. M. Sweeney, had driven to the home of Rev. J. G. Livingston, near Crab Orchard and been united in the holy bonds of matrimony. Mr. and Mrs. Derr will make their home in this city, where they will have the best wishes of their many friends and relatives for a long and happy union.

WALTON BUYS OUT WILLIS.

E. C. Walton this week bought out the grocery store and meat market of W. R. Willis, and took charge at once. Mr. Walton's new place is next to the First National Bank, a splendid location. He is already installing a new and up-to-date stock, and will carry a full line of all the market affords. Read his first announcement to his friends in another column. Mr. Willis will probably leave Stanford, but it is understood that his plans have not yet been fully settled.

Stop the First Cold

A cold does not get well of itself. The process of wearing out a cold wears you out, and your cough becomes serious if neglected. Hacking coughs drain the energy and sap the vitality. For 47 years the happy combination of soothing antiseptic balsams in Dr. King's New Discovery has healed coughs and relieved congestion. Young and old can testify to the effectiveness of Dr. King's New Discovery for coughs and colds. Buy a bottle today at your Druggist, 50c.

Don't Neglect Your Cold.

Neglected colds get worse, instead of better. A stuffed head, a tight chest must be relieved at once. Dr. Bell's Pine-Tar-Honey is Nature's remedy. Honey and glycerine heal the irritated membrane, antiseptic tar loosens the phlegm, you breathe easier and your cold is broken up. Pleasant to take, Dr. Bell's Pine-Tar-Honey is an ideal remedy for children as well as grown-ups. At your Druggist, 25c.

It's Foolish To Suffer

When So Many Stanford People Are Pointing The Way Out.

You may be brave enough to stand backache or headache or dizziness. But, if, in addition urination is disordered, look out! If you don't try to fix your sick kidneys, you may fall into the clutches of dangerous disease before you know it. But, if you live more carefully and help your kidneys with Doan's Kidney Pills, you can stop the pains you have and avoid future danger as well. Don't experiment—use the remedy Stanford people are publicly endorsing. Read this case:

John H. Wren, E. Main St., Stanford, says: "I know from experience that Doan's Kidney Pills are all that is claimed for them. Off and on for several years I had severe attacks of lame back. Often I did work that required stooping and at such times the backache became much worse. I also had a too frequent desire to void the kidney secretions both day and night. Doan's Kidney Pills relieved me and have never failed to benefit me since then when I have taken them."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wrenn had. Foster-Milburn Co., Props., Buffalo, N. Y. 95-1

Unknown Man Is Killed

Mangled Body Found Under South Fork Trestle of Q. & C.

An unknown man, who was evidently "beating his way" on the Cincinnati Southern railroad, fell or was thrown off a freight train at South Fork trestle some time early Tuesday morning. His body was found under the trestle Tuesday morning, with both legs broken above the knees. His face badly mashed and the body otherwise bruised. Death had evidently been instantaneous.

Judge Bailey and Acting County Attorney T. J. Hill, Jr., went to the scene and held an inquest Tuesday. There was not a thing about the person of the man by which he could be identified. He was about 45 years of age, of a dark complexion, clean shaven, and had a cake of soap, a plug of tobacco, a piece of flint rock in his pockets. In another pocket was a piece of a flour sack, evidently used as a handkerchief, and this offered the only clue to identification, slight as it was, however. It was torn from a sack of flour evidently made at Dayton, Tenn., as it had a brand upon it to that effect. The body was buried at the expense of the county, as there was nothing by which it could be identified.

SCOTT—BRENT

Miss Ina Scott, of Garrard county, and R. E. Brent of this county, were married at the Methodist parsonage in Lancaster Friday by Rev. Palmer. Miss Scott is the younger daughter of Mr. Ebb Scott and is a very attractive young lady of charming manner. Mr. Brent is a son of Mr. and Mrs. T. A. Brent of this county, and a prominent young farmer. Mr. and Mrs. Brent will make their home in this county, where they will have the best wishes of their many friends for much joy and happiness.

ENTERTAINED AT ROOK

Mr. and Mrs. H. D. Frye, of Hubble, entertained at progressive Rook Monday evening in honor of Miss Myra Fisher of Lexington. Those present were: Miss Mary Lee Givens, Mr. George Givens, Miss Levisa Harris, Mr. Sam Harris, Jr., Miss Lottie Carson, Mr. J. E. Jordan, Miss Myra Fisher, Mr. Ott Jones, Miss Lucinda Lutes and Mr. Coe Moser. A delightful salad course and coffee were served.

FINE MULE SHOT AND KILLED

M. F. Lawrence, on the Preachersville pike, had a valuable yearling mule killed by some reckless hunter last week. He found the animal shot, apparently with a rifle or pistol ball about 10 inches behind the foreleg on the right side. Mr. Lawrence valued the beast at about \$125 and would give something substantial to learn who shot her.

ELECT COMMITTEE SATURDAY

The Democratic county committee will be reorganized Saturday afternoon, December 2, with meetings at the voting place of each precinct at 2 o'clock. Considerable interest is being manifested in this county over the election, as the contest is taking on every aspect of a Wet and Dry fight for control of the party organization.

Dr. A. Kratz, representing the National Optical Company, was in Stanford Wednesday and Thursday fitting glasses for those who needed them. He gave great satisfaction in every way and his firm is one in which its patrons have entire confidence and rightly so.

A Rare Opportunity

Nice six room residence, halls, porches, etc. Good barn. All practically new. 24 acres of splendid land. Right at edge of city limits. Electric lights, city water, etc. Close to graded school. About 200 yards of sidewalk. A nice farm practically in town and free from city taxes. You seldom have a chance for a place like this. On the market for short time only. If you are interested, act quick.—Hughes & McCarty, Stanford, Ky. 1

The Adamson eight-hour law was declared unconstitutional by United States Judge W. C. Hook in Kansas City. Agreement has been made upon a centralized hearing before the Supreme Court in order that a final decision may be given before January 1, when the law, whose enactment by Congress averted a general railroad strike, becomes effective.

Henry Allen, was given two life sentences for murder in the Laurel circuit court last week. The London Echo did not say which sentence he will serve first, but probably it won't really make much difference to him.

Thomas Dunaway, 13, and a boy companion found some dynamite caps in Carroll county and while playing with them, one exploded and a ragged silver penetrated young Dunaway's right eye, destroying the sight.

After a 14 years' separation, Rev. George Varden, aged 80 and his wife, Mrs. Emily Greene Varden, had their divorce decree annulled in the Fayette circuit court last week and are now reunited. He is assistant pastor of the Baptist church at Paris.

While out hunting in the mountains of Wise county, Va., Alex Stidham, a farmer, accidentally shot himself with a shotgun. Stidham was crossing a fence when the weapon was discharged the whole charge taking effect in his left leg, tearing it to shreds.

Pearl Johnson, who was shot and killed Clyde Dunaway, at Middlesboro about three weeks ago, was tried in the Bell Circuit Court this week on a charge of willful murder and the jury returned a verdict of guilty and fixed her punishment at life imprisonment in the state penitentiary.

A wild rush for territory in the eastern section of Estill county which also extends over into Wolfe and Lee counties, has followed the report of a good well on the White land at Standing Rock, where Wolfe, Powell and Lee counties corner. The pay was reached at 1,300 feet and the oil now stands 700 feet in the well.

C. E. Powell, proprietor of the Parkville mills and Prof. Jordan Mayes, of the Shelby City school, had a narrow escape from death when a runaway team, hitched to a wagon, ran into an auto in which they were driving turning them over. Remarkably and almost miraculously, neither was hurt but the machine was badly damaged.

A shell hit Villa's auto in his attack on Chihuahua City early in the week and the bandit leader escaped on horseback. We'll bet he wasn't riding in a flivver. Nothing like that would ever have stopped one of the popular makes of cars that Henry Anderson is selling car loads of them here. The Mexican desperado had better talk a little business with Mr. Anderson before he goes into the danger zone on a joy ride next time.

Clear Bad Skin From Within.

Pimples, muddy complexions are due to impurities in the blood. Clear up the skin by taking Dr. King's New Life Pills. Their mild laxative qualities remove the poisons from the system and brighten the eye. A full, free, non-gripping bowel movement in the morning is the reward of a dose of Dr. King's New Life Pills the next before. At your Druggist, 25c.

Operation On Skull

Performed On Waynesburg Man Hoping To Save His Life

Mitchell Dotson, the Waynesburg young man whose skull was fractured in Macksville last Saturday night, was taken from his home in the southern part of the county to the Danville hospital early this week for an operation. Physicians said that this was the only means of saving his life. News from Danville this morning is to the effect that he seems to be holding his own. Dotson had not recovered consciousness, and the doctors believed that the operation would be the means of saving his life.

So far nothing has been heard of "Big Foot" John Engleman, who is suspected and accused of the crime. Engleman left town hurriedly when a report became circulated that Dotson was dead. Chief of Police Carter has been doing some effective work on the case and believes he has "Big Foot" about located.

BRUMMETT GOES TO MERCER

Wallace Walter, proprietor of the Princess, has accepted the position as local agent for the National Life and Accident Insurance Company. D. T. Brummett, who has had this position in this city for some time goes to Harrodsburg to take charge of the work there. The company is very fortunate in getting such a man as Mr. Walter to take charge of their work here. The friends of Mr. Brummett and family regret greatly to see them leave, but are glad he has received such a deserved promotion from his company.

SOME PIE SUPPER

One of the most successful pie suppers heard of anywhere was held at the Goshen schoolhouse Thursday night. A total of 28 pies were sold, realizing the handsome sum of \$56.83. The race for the honor of being declared the most popular young lady was won by Miss Alva Holtzclaw over Miss Jessie Nave by the close vote of 2,175 to 2,058. The box of candy which she was awarded brought \$42.32. Wray Powell, of Stanford, acted as auctioneer, and proved a great success in every way, keeping things moving all the time. The money raised goes to the benefit of the school, and the teacher, Mrs. Dollie McBee wishes everyone to know that the good work is greatly appreciated.

Editor J. M. Alverson, in his good paper, the Georgetown News pledges his hearty co-operation to the work of Dr. Alexander's committee in getting the state-wide prohibition question to a vote of the people. Sentiment is growing all over the state. The whisky business is on its last legs, and the sooner they are knocked from under it, the better for the people and the country. Can any one truthfully deny this?

The Louisville Herald is printing almost daily interviews with promi-

nent republicans urging state-wide prohibition and that their party come out boldly in favor of it. The republicans are making strenuous attempts to get on the dry band-wagon when they think it is going to be the most popular issue to ride to victory. The people of Kentucky will not forget, however, that it has been the democratic party and democratic administrations which have given Kentucky every temperance law she now has upon her statute books. If some of the so-called leaders of the democratic party will permit the party organization to take a negative or passive stand upon the great issue which is now coming to the front, they and they alone will be responsible for the consequences.

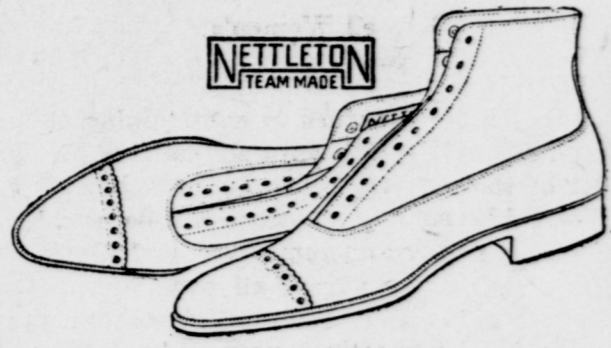

Central University at Danville certainly made a "ten strike" when she obtained Dr. W. A. Gansfield as president. He is putting new life into the old institution, is a man of wide culture and greatly sought after for public addresses, and of course every time he appears, he makes a fine impression and helps "Old Centre" that much. The old institution could not possibly have obtained a more effective means of advertising. On Monday he made the principal address at the laying of the corner stone of the \$300,000 high school building in Covington. Wednesday at the dedication of the Mason county High School at Washington and Friday he addresses the First Congressional District Educational Associa-

tion at Mayfield. On Saturday he will address educational associations of the First, Second and Third Congressional districts at Bowling Green and on Sunday afternoon make the principal address at the Elks memorial service at Mayfield.

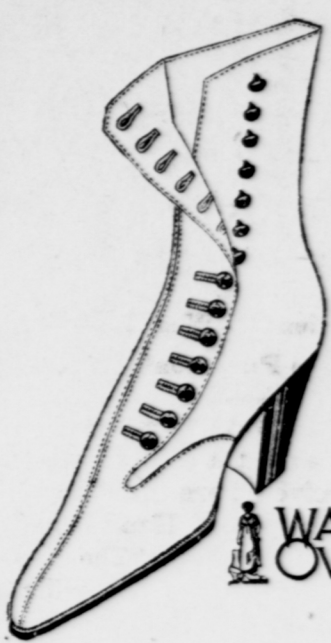

A belated election story from California is of sufficient interest to repeat even at this late day. There is four hours difference between New York and California time. On election evening in New York World and New York Times, in a mad race with other New York papers, very early flashed the news that Hughes was elected, and the telegraph wires announced it almost as quickly on the Pacific coast as in New York. The people were still voting in California, but when newspapers extras gave it out that such Wilson's supporters as the World and Times had conceded Hughes' election, Democratic workers

Girls! Girls! Try It!
Stop Dandruff And Beautify Your Hair
Hair Stops Falling Out And Gets Thick, Wavy, Strong And Beautiful.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanse." Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Danderine dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it surely get a 25-cent bottle of Knowlton's Danderine from any druggist or toilet counter, and just try it. 95-1

DAUGHTER'S LIFE SAVED BY TANLAC

Mother of Mrs. John Lowe Says She is Sure of It.

NOW WEARS "TANLAC SMILE"

"She Had Lost All Interest In Life and Would Have Gladly Welcomed Death", Declares Mrs. S. C. Burnett. "I Regard My Daughter's Recovery as Most Wonderful and Miraculous."

"There is absolutely no doubt in my mind that Tanlac saved my daughter's life."

This statement by Mrs. S. C. Burnett, 1438 Clay street, Cincinnati, mother of Mrs. John Lowe, same address, tells why the "Tanlac Smile" brightens the face of everybody in that household.

"I regard my daughter's recovery as the most wonderful relief your Tanlac medicine has ever achieved," said Mrs. Burnett. "I myself—her own mother—had given up hope. My daughter had

lost all interest in life and would have gladly welcomed death.

Her Condition Pitiable. "She was just pitiable! Yet before she had taken half a bottle of Tanlac she was a different woman."

"My daughter's case is almost unbelievable. Up to a year ago she was a strong, healthy woman. Suddenly she began to fail. Her digestive system went back on her completely. She could not digest what little she forced herself to eat. After every meal she was tortured with gas, pain and distress. She had to physic constantly with salts, oil and pills. Her weight dropped from 140 to 110 pounds."

Walked Floor For Hours. "The rumbling of a wagon or slamming of a door would make my daughter tremble. At night she would lie awake or walk the floor for hours. Then she would have heart-breaking spasms of weakness. We tried all sorts of medicines to no effect. Finally we heard of Tanlac from neighbors. My daughter took it."

"Her complete recovery to perfect health was marvelous, simply marvelous. First, she felt like eating. Then her strength came back and her bowels became regular. Now she has a splendid appetite, sleeps the whole night through and has gained weight so that her clothes have had to be let out. I repeat:

"There is absolutely no doubt in my mind that Tanlac saved my daughter's life."

Tanlac is sold exclusively in Stanford at The Penny Drug Store, E. R. Coleman, Proprietor.

Tanlac can now be obtained in following nearby cities: Moreland, Abraham Minks; Hustonville, Adams Bros.; McKinney, True & Co.; Ellisburg, Joe McWilliams; Middleburg, W. C. Quite a number of children have been kept out of school by an order of the State Board of Health which prohibits any one who has been exposed to diphtheria, or any other contagious disease, from appearing in any public place until they receive a permit from a member of the County Board of Health. Mother Praises Remedy That Relieved Her Baby

DR. CALDWELL'S SYRUP PEPSIN
IS A DEPENDABLE FAMILY
LAXATIVE

Nearly all the sickness incident to a baby's life is due to constipation, or inaction of the bowels. At the first indication of irregularity in this important function, relief should be afforded promptly. A mild laxative should be administered to gently carry off the congested waste and leave the stomach and bowels free to perform their allotted tasks.

Of the various remedies recommended to relieve constipation, the combination of simple laxative herbs with pepsin, as prescribed by Dr. W. B. Caldwell and sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin, is the most effective. It contains no opiate or narcotic drug is pleasant to taste, mild and gentle in action, and quickly brings the desired relief in an easy, natural manner.

Mrs. C. J. Douglas, Mason, Ill., writes that she cannot say enough in praise of Dr. Caldwell's Syrup Pepsin as a dependable family laxative. Little Mary Eva had been badly constipated until they tried Dr. Caldwell's Syrup Pepsin, which brought the first natural relief the child had had in two weeks.

Dr. Caldwell's Syrup Pepsin is sold in drug stores everywhere and costs only fifty cents a bottle. To avoid imitations and ineffective substitutes be sure to ask for Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.

His Friend Hurt!

He Helped Him

Injured Man Laughed When Simple Treatment Was Suggested, But He Thanked His Comrade Later

Once upon a time word came to Henry A. Voehl, of Plainfield, N. J., that a close friend had been injured, and full of anxiety he visited the afflicted man, who was suffering from a sprained ankle.

"It was so bad that the leg had turned black," said Mr. Voehl in relating the story. "I told him I would have him out in a week and he laughed at me. But I took him a bottle of Sloan's Liniment, that night he put some on and noticed the ankle felt better. I told him to use it every day, and in three days his ankle was practically well. In four days he was working. He gladly admits that Sloan's Liniment 'put him on his feet.'"

Attractive Sub-Division To Be Sold Off In Lots

The Master Commissioner of the Lincoln Circuit Court will offer for sale on

Saturday, Dec. 16, 1916

under a decree of said Court, the balance of the old D. W. Vandever home place on Somerset street, containing 56 acres of land fronting on the Cut-off pike and Somerset street, and divided into 20 lots, running in size from an acre and half to six acres. Upon one of these six acre lots there is situated a good 9-room house with metal roof.

These are the most beautiful lots ever offered in Stanford. The town is built too much in a long string; this sale of lots will enable it to spread out. Farmers desiring to move to town to educate their children will find lots long enough for garden, chickens and a cow. These lots ought to appeal to persons wanting long lots, and to get out of dust of roads; they are high, with fine view, healthy, away from the town branch, and of typhoid germs; with city water on all sides.

Judge W. E. Varnon, at St. Asaph Hotel, will take pleasure in showing them—phone him. Wake up, and go to figuring on purchasing one of these magnificent lots.

MAN'S STRANGE HISTORY.

A man with an unusual history died at Sparksville, Adair county last week. He was Willis Page, who was perhaps the oldest man in that section of the state, and was a victim of paralysis and senility. Mr. Page was more than 90 years old, but did not know his exact age. When he was a very small boy he was kidnapped from his home in Virginia and brought to Adair county, which was then not much more than a wilderness. Young Page was made a servant until he grew to young manhood, when he ran away and made his way back to Virginia in hope of finding his parents. No trace of his family could be found. Page returned to Adair county and purchased a tract of land. He married soon after.

Mr. Page was more than 90 years old, but did not know his exact age. Young Page was made a servant until he grew to young manhood, when he ran away and made his way back to Virginia in hope of finding his parents. No trace of his family could be found. Page returned to Adair county and purchased a tract of land. He married soon after.
